This select bibliography grew out of an earlier one prepared for the use of Dip. Ed. students at the Institute of Education. The categories and the selection of items were guided by easy availability and relevance to the course. For the present bibliography I have included theses only in subject areas. A section on higher education has also been included and the section on teachers and teaching expanded.

A. Official Documents (in chronological order)

<table>
<thead>
<tr>
<th>Year</th>
<th>Title</th>
</tr>
</thead>
</table>

B. Growth and Development of the Education System (in chronological order)

<table>
<thead>
<tr>
<th>Year</th>
<th>Title</th>
</tr>
</thead>
</table>
